

# #TRYROTARY Contest

Visit A Club.

Meet Great People. Win Big.

From February through April, Rotary District 5110 is inviting community members to visit a Rotary club and see what we're all about. When you do, you'll be entered into the **Try Rotary Contest**, with a chance to win a grand prize and other giveaways. No pressure. No obligation. Come see what service with purpose looks like.

See the website for details.
